I have a printed out copy now. Will sign tomorrow morning. Could you remind me where we are with respect to confirming in writing Sheila's statements that the P/N does not establish a "comment period" and therefore does not trigger the 404(q) MOA? Is that going to be a separate letter? And separate from the cooperating agency response?

David-

I apologize. I sent an older version of the letter/comments to you for review.

This is the correct version. (Thanks Molly for catching this).

Hi David-

Please let me know if you have any edits/comments and then I will work with Christine to prepare a revised letter for your signature.
